

Bethel Women of the ELCA

Pin Nomination Form

Dear Bethel Member:

Up to eight (8) pins are given each year to women of Bethel who have served the congregation in various ways. Over the years, 315 women have been recognized with a pin as individuals who are living their faith and making contributions to Bethel Lutheran Church and their community. Four special men have also been recognized.

You are invited to make recommendations of women you think should be recognized for their service. Please complete the form below. Pins will be presented at the Spring Coffee on Saturday, May 1, 2010. It is strongly recommended that you be there to present the pin to your nominee. We would also like the pin recipient to be present at the coffee, if at all possible.

Please return all nominations to the Mission Growth Secretary's mail slot in the church office by March 14th, 2010. You may also request this form via email and return it via email to twehrman@charter.net.

Name of the Nominee: _____

Reason nominated (List activities the nominee has been involved in and any additional special reasons you feel make this person deserving of a WELCA Pin. You can continue on the back or type the information on a separate sheet and attach to the form.):
